Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Commissioner:

In response to the Examiner's requirement for restriction dated April 14, 2006, the claims of **Group I** (Claims 2-4, 23, 27-29) are provisionally elected with traverse. The Examiner indicated that all independent claims, including Claims 1, 20, 31, 32, 34 and 37, will be examined with any selected invention group. The Applicant respectfully requests reconsideration and withdrawal of the requirement for restriction, as the requirements for restriction have not been established and the requirement is inappropriate.

THE LISTING OF CLAIMS are reflected in the listing of claims which begins on page 2 of this paper. No changes to the claims have been made, however the claims are presented to assist the Examiner.

REMARKS/ARGUMENTS begin on page 11 of this paper.
